

Are you tired of feeling like a foreigner in your own land? Are you out-of-work? Have you lost faith in the government? Do you feel like there's no hope?

The American Nazi Party can help. American National Socialists aren't monsters as portrayed by the media. We are White men and women who care deeply for the future of our people in a decadent, corrupt world gone mad. A world where decency is wrong and perversion is more than acceptable. Why its now considered a lifestyle choice!

National Socialists reject the chains that bind the minds of so many, and realize that there is more to life than acquiring vast amounts of high interest debt in a mad rush to gather together like pack rats, more and more plastic junk made in China.

To a National Socialist, things like pride, honor, loyalty, courage,

discipline, and morality actually mean something.

Like our forefathers, we too are willing to sacrifice to build a better world for our children. We are willing to do whatever is necessary within legal means to achieve that goal.

We are your brothers and sisters. We are your fathers and mothers. We are your friends, coworkers and neighbors. We, like you are WHITE AMERICA!

Your enemies, who control our society attempt with their constant "anti-Nazi" propaganda to convince that we, your own kin are your enemies.

Yet, ask yourself this: Who do you have to thank for all the problems in your life? The ones in control of our society, or those of us who choose to resist the evil?

The truth is indeed out there. Don't

be afraid to understand and act on it.

Time is running out for our people. If we don't act soon, then we will surely go the way of the dinosaur.

Just imagine if the worst should happen. We will be gone, and all we have accomplished will have been for the benefit of those who destroyed us.

If you are tired of being blamed for all the world's problems, simply because you are White; if you are fed up with a government that cares for everyone and everything EXCEPT for the well-being of the people who founded and built this country - *the White working class*, and you are intelligent and clear-sighted to see reality when it stares you in the face, then join us!

The ANP is NOT a militia-type organization. We are a political and educational organization that is dedicated to White rights.

The Blacks have the NAACP. The Latinos have La Raza (The Race).

In fact, every single race has an organization looking out for them. Every race that is, EXCEPT ours.

Why shouldn't Aryan Folk have a group to look after their interests?

The Anti-White Movement says that since Whites are the majority race, we don't need one.

According to the U.S. Dept. Of Census, that will not be true by as soon as 2042.

When will we be allowed our own organization? Only AFTER we have become second-class citizens? When it's too late?

We are NOT a hate based group, nor are we "White Supremacists". We are patriots dedicated to the welfare of our Folk. We want to preserve our culture and heritage and keep it from being absorbed into the "Salad Bowl" of global Multiculturalism.

The question is: Are you a talker or a doer? Are you ready to make a difference now?
